Direct Payment Authorization Form: Fixed Payments

We are pleased to offer you the Direct Payment Plan. Now you can have your payment deducted automatically from your credit or debit card. And, you won't have to change your present banking relationship to take advantage of this service.

Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments made from your credit or debit card account. Then, just sit back and relax. Your payments will be made automatically on the specified day. And proof of payment will appear on your statement. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.

If the amount of your payment changes, we will notify you at least 10 days before payment date. The Direct Payment Plan is dependable, flexible, convenient and easy.

The Direct Payment Plan will help you in several ways:

- ✓ It saves time – fewer checks to write and mail.
- ✓ Helps pay your bills in a convenient and timely manner – even if you're on vacation or out of town.
- ✓ Your payment is always on time—it helps maintain good credit.
- ✓ It saves postage – many people spend close to \$100 a year on postage.
- ✓ It's easy to sign up for, easy to cancel.
- ✓ No late charges.

I prefer my payment to be made on the 1st or 15th of every month
